

Cybersafety at Coatesville School

Rules To Help Keep Coatesville School Students Cybersafe

As a safe & responsible user of ICT I will help keep myself & other people safe by following these rules:

1. I cannot use school ICT equipment until my parent(s) and I have signed my use agreement form (see last page) and the completed form has been returned to school.
2. I can only use devices and other school ICT equipment for my schoolwork.
3. If I am unsure whether I am allowed to do something involving ICT, I will ask the teacher first.
4. I will log on only with my Coatesville School account. I will not allow anyone else to use my account. I will not attempt to log in to anyone else's account or a personal account. If I need to access a personal account I will ask for permission.
5. I will not tell anyone else my password.
6. I can only go online or access the Internet at school when a teacher gives permission and an adult is present during class time.
7. I understand that I must not, at any time, use the Internet, email, mobile phones or any ICT equipment to be mean, rude, offensive, or to bully, harass, or in any way harm anyone else connected to our school, or the school itself, even if it is meant as a 'joke'.
8. I understand that I must not use shared drives, docs, slides or any other form of shared workspace to communicate with others during or outside of class time.
9. While at school, I will not:
 - Attempt to search for things online I know are not acceptable at our school. This could include anything that is rude or violent or uses unacceptable language such as swearing

 - Access Youtube or other video media without the permission of my teacher.
 - Access Spotify or any other music streaming site without the permission of my teacher.
 - Access gaming websites or online games without the permission of my teacher.
10. If I find anything that upsets me, is mean or rude, or things I know are not acceptable at our school, I will:
 - **Not show others**
 - **Turn off the screen**
 - **Get a teacher straight away**
11. I understand that I must not download or copy any files such as music, videos, games or programmes without the permission of a teacher. This is to ensure we follow copyright laws.
12. I must have a signed 'BYOD' User Agreement form if I want to bring a chromebook or laptop to school (Year 4-6 only). In addition, I will need written permission from home, and agreement from the school, before I bring any other ICT equipment/device from home. This includes things like mobile phones, iPods, games, cameras, and USB drives. I will give these devices to the office or my classroom teacher upon arrival and will be able to collect at the end of the day.
13. I will not connect any device (such as a USB drive, camera or phone) to school ICT or run any software, without a teacher's permission. This includes all wireless technologies.

- Reporting any breakages/damage to a staff member.

17. I understand that if I break these rules, the school may need to inform my parents. I also understand that my family may be charged for repair costs.

18. I understand that if I breach the Cyber Safety Agreement that I will receive a computer strike. 1st strike I will lose my device for the day, 2nd strike, I will lose my device for a week and my parents will be contacted. If I receive 3 computer strikes within a term I will lose my device indefinitely and my parents will be asked to meet with my teacher to create a device use plan for me moving forward.

I have read this 'CyberSafety User Agreement Form' and I understand the responsibilities outlined.
