Teacher Only Day: Tuesday 8 June

Kahui Ako Conference - all day in Albany (Tuesday after Queens Birthday weekend)

Coatesville School is part of a cluster of seven local schools which form our Kahui Ako - or Community of Learning. The COL has been active since 2016, when significant government funding was allocated to communities to support the aim of collectively raising student achievement.

This funding has allowed schools to collaborate and learn from each other to a far greater depth than was achieved previously. It has enabled greater connections to be made across schools and, in the case of our Kahui Ako, to develop an educational path from Yr 1 to Yr 13.

Our Kahui Ako mission is: **"Better Together: A connected pathway for empowered learners"**

Whānau ki te ako Please access the COL website for more information.

In 2017-2019 staff from each school attended Teacher Only Days to further the aims of the Kahui Ako

Due to the restrictions of COVID-19 the conference was cancelled in 2020.

This year the conference will resume as a 'one-off' TOD.

(Note: It is not related to the Teacher Only Days outlined below.)

'Accord' Teacher Only Days: Term 2-4

As previously stated, these specifically designated teacher only days were mandated in the employment agreement negotiations for the Primary Teachers' Collective Agreement. Teachers of all state primary schools are entitled to eight teacher only days over the 3 year term of the agreement. This agreement ends in June 2022.

These days provide teachers with additional time to:

- Deepen their knowledge and practice around the NZ curriculum
- Use their knowledge to plan effective teaching and learning programmes
- Strengthen their understanding of assessment for supporting learning and teaching

Last year, due to the disruption of COVID-19, we only took two of these days.

This year we are scheduled to take three days, spread over the next three terms.

The days are extremely valuable and provide high quality opportunities for teachers and school leaders to enhance their own professional capabilities.

The scheduled TODs are:

Friday 9 July

Last day of Term 2 - for review of assessment information, analysis of progress & achievement information and planning effective learning programmes for Term 3

Friday 1 October

Last day of Term 3 - for review of assessment information, analysis of progress & achievement information and planning effective learning programmes for Term 4

Monday 22 November

Wk 6, Term 4 - for review of assessment information, analysis of progress & achievement information for individual student reporting - and analysis of cohort information which is reported to the BOT and which impacts effective learning programmes in 2022

Thank you for your support. We understand these days may be disruptive for parents/caregivers.
So we try to schedule them only when necessary and with plenty of notice. We appreciate your support.
